

# Accommodation for students at Spinnaker College Portsmouth

## Home Stay Accommodation

All our hosts are carefully selected and monitored to ensure your stay is as comfortable as possible. In home-stay accommodation, clean bed-linen and towels are provided by the host on a weekly basis.

Average weekly accommodation fees are £75 for home-stay self-catering, and £95 for home-stay half board (breakfast and dinner).

## Private Accommodation

If students prefer to have a more independent lifestyle, we can also arrange for them to stay in privately rented accommodation with other students. This gives them a great opportunity to make friends with students from other countries. This is on a self-catering basis and there is a choice of single or shared rooms.

The average weekly accommodation fee is £75 per week.

Please note that private accommodation is not suitable for students under the age of 18.

## Residential accommodation

Residential accommodation is suitable for groups, as well as individuals. The choices includes

- University of Portsmouth Student Hall of Residence,
- Student Residence which is run by a private company
- Hotel or hostel

The price depends on the accommodation and also depends on your requirement for the meal. These residential accommodations are subject to availability. Please contact us for availability and details.
