Fast track to a degree and MBA

Spinnaker College is happy to announce that it is introducing a one year certificate course in Business Management which is accredited by Association of Business Executives (ABE).

We are also the official representatives of the University of Portsmouth. We provide counselling, guidance, application processing, visa guidance etc for successful enrolment.

NEW!!!! Take TOEIC at Spinnaker College and advance your career in the business world. Spinnaker College is the only centre in Portsmouth accredited to run exams in TOEIC.

TOEIC, which stands for 'Test of English for International Communication', is very popular with thousands of businesses, colleges, universities and governments throughout many countries.

You can take the exam on the second Wednesday of every month and have your results and certificate by Friday (thanks to ETS in London, who efficiently manage the exam in the UK).
